My Photo Books of the Year

By Joerg Colberg on December 19, 2007 11:26 AM

It appears to be popular now to publish a list of "photo books of the year", so in case anyone is interested, here is mine. Easily the best book published this year is Bert Teunissen's [Domestic Landscapes](#). Other books I enjoyed are (in no particular order): [The Day-toDay Life of Albert Hastings](#) by KayLynn Deveney, [Welcome to Pyongyang](#) by Charlie Crane, [LS/S](#) by Beate Gütschow, [Baxt](#) by Andrew Miksys, [Motherland](#) by Simon Roberts, [Topography of the Titanic](#) by Kai-Olaf Hesse, and [Mother of All Journeys](#) by Dinu Li.
